Our Mission

Our approach to a manageable lifestyle is to reach for new heights by standing on **the rock**.

The Rock is the power we have found to be greater than ourselves. It includes tools necessary to build a new house of integrity, humility, accountability and spiritual revelations.

At New Heights we have the opportunity to share with like minds our daily accomplishments here **at home**.

Our goal is to achieve a state of satisfaction and embrace the belief that we have all that is needed to live a **complete and joyous life**.

We focus on helping our clients live with **freedom** in a structured program promoting accountability, responsibility, honesty and a vibrant social life. Together we achieve freedom from our addictions, and the newfound ability to live a rewarding, fulfilling life in recovery.
